

# FORCE FOR GOOD

## Wesley's Wheels

November, 2016

*Our Sonsray Machinery store in Sacramento California made it a special day for Wesley by converting our equipment inventory yard into Wesley's private playground. When we discovered how much Wesley likes construction machines and that he needed a break from his Leukemia treatments, one word came to mind..."fun." So, with the help of his grandpa, Wesley sat behind the controls of a CASE Backhoe and moved dirt like the big-boys.*
