Dedication of the new Veterans Center in Modesto

Good morning.
My name is Bryan Foust
Sales Consultant in Stockton, Ca.
I chose to volunteer with the
American Legions Modesto chapter
Veterans Day 11/11/16.

My day started at 6:00 am with the Veterans at a breakfast meeting to discuss and assign duties for the Veterans Day parade. I was assigned with staging equipment, vehicles, bands, and other personnel participation in the parade.

Later that day, I assisted in the setup of the new Stanislaus Veterans Center in Modesto, Ca which will open January 2017. This center is a state of the art facility which will help all Veterans regardless if they have served in combat or not. The dedication of the facility was amazing. There were WWII, Korean War, Vietnam, and the Gulf War Veterans and spouses in attendance. It was an honor to volunteer on this Veterans Day. The American Legions would like to thank Sonsray's Machinery for participating on this very Special Veterans Day.

I look forward to next year's event.
Thank you.
